**Integrated Data Consulting, LLC's  
Jeff Filippi  
Featured Presenter at 2015 IIUG Informix Conference**

Integrated Data Consulting, LLC is pleased to announce that Jeff Filippi (President) will be a featured speaker at **the premier user-run educational forum for IBM Informix database technology users**, 2015 IIUG Informix Conference April 26<sup>h</sup> -29<sup>th</sup> in San Diego California.

Jeff Filippi's sessions, "Informix SQL Performance Tuning Tips" and "Customizing OAT Monitoring and Reporting", are part of many education sessions offered at the 2015 IIUG Informix Conference. Speakers were selected from a competitive pool of hundreds of submissions by some of the most talented minds in the Informix community.

For additional information about IIUG and its educational and membership offerings, please visit the IIUG Web site at [www.iiug.org](http://www.iiug.org). To learn more about 2015 IIUG Informix Conference and to register, please visit [www.iiug2015.org](http://www.iiug2015.org).
